## Health Services for Children with Special Needs

Enrollees receive Gift Cards  
for attending yearly check-ups.

- \$15 for medical exam
- \$15 for annual dental check-up

### After joining HSCSN...

1. Call your doctor to schedule your yearly medical check-up (including vision and hearing screenings).
2. Call your dentist and schedule your dental check-up (for kids by one year of age and older).
3. After attending your appointments, call your HSCSN Care Manager and say, "I've had my annual check-ups!" Then ask for your \$15 gift card.

If you do not speak and/or read English, please call 202-467-2737 between 7:00 a.m. and 5:30 p.m. A representative will assist you. English.

Si no habla o lee inglés, llame al 202-467-2737 entre las 7:00 a.m. y las 5:30 p.m. Un representante se complace en asistirle. Spanish.

THE HSC HEALTH CARE SYSTEM

Health Services for Children  
with Special Needs, Inc.

## EPSDT Health Check

## Annual Health Screening Services

# EPSDT HealthCheck

Children who are enrollees of Health Services for Children with Special Needs (HSCSN) are eligible for free EPSDT or HealthCheck check-ups from birth to 21 years of age.

## Free check-ups will include:

- Full physical exam
- Growth and development check
- Hearing and vision screenings
- Oral health assessments
- Appropriate shots
- Lab testing (Including blood lead levels)
- Mental health and risk behavior check

## If medically necessary:

- Physical, Occupational, and Speech Therapy
- Vision services (Including glasses)
- Dental services (Including braces)
- Behavioral health services
- Medication (Including inhalers)
- Medical equipment and supplies (Including nebulizers)

**E**

**Early:** Many sicknesses can be stopped before they start or get worse.

**P**

**Periodic or regular:** Regular check-ups are important to make sure kids are growing well and to make sure no new problems have developed.

**S**

**Screenings:** Tests that are done to check for health problems.

**D**

**Diagnosis:** If something unusual is found during a screening or test the doctor will study it and make a diagnosis.

**T**

**Treatment:** This controls or cures the diagnosed health problem.

Check-ups are recommended at the ages below:

Infant/Toddler		Child/Teen
1 month	12 months	Once a year from ages 3 years through 20 years
2 months	15 months	
4 months	18 months	
6 months	24 months	
9 months	30 months	

## Washington D.C. School Health Requirements

### Has your child received their:

- \_\_\_ Annual physical or “well child” exam
