HSC is a nonprofit healthcare organization that serves children with special needs. HSCSN is the Child Adolescent Supplemental Security Income Program (CASSIP) here in the District of Columbia (DC).

Your Primary Care Provider (PCP)

As an enrollee of HSCSN, your Primary Care Provider (PCP) will help you get the health care you need. It is important to call your PCP first when you need care. If you want to keep your PCP, call us and we will try to help you stay with that PCP.

Our Customer Care Services phone number is (202) 467-2737 or 1 (866) 937-4549.

Choosing Your PCP

- 1. Choose a PCP when you enroll in HSCSN.** This person is your PCP while you are an enrollee.
 - You can stay with your current PCP if they are in HSCSN's network.
 - If you do not have a PCP, you can choose from a list of primary care providers in our Provider Directory or at hscsnhealthplan.org.
 - Call Customer Care Services at (202) 467-2737 or 1 (866) 937-4549 if you need help choosing a PCP.
 - If you do not choose a PCP within the first 10 days after enrolling, we will choose a PCP for you. If you do not like the PCP we chose for you, call Customer Care Services at (202) 467-2737 or 1 (866) 937-4549 to change your PCP.
 - HSCSN will send you an Enrollee ID Card. Your card will have your PCP's name and phone number on it.
- 2. Choose a PCP for each family enrollee in our plan, including your children.** Your PCP may be one of the following (including nurse practitioners):
 - Family and General Practice doctor—usually can see the whole family.
 - Internal Medicine doctor—usually sees only adults and children age 14 and older.
 - Pediatrician—sees children from newborn through young adult.
- 3. When you choose your PCP, please:**
 - Try to choose a PCP who can send you to the hospital you want. Not all doctors can send patients to all hospitals.
 - Sometimes the PCP you choose won't be able to take new patients. We will let you know if you need to choose a different PCP.
 - Choose a PCP who is close to your home or work.

How to Change Your PCP

You can change your PCP anytime. Just choose a new PCP from the Provider Directory. Call Customer Care Services at (202) 467-2737 or 1 (866) 937-4549 once you have chosen a new PCP or if you need help choosing one.

Your Primary Dental Provider (PDP)

Now that you are an enrollee of HSCSN, your dental provider is Delta Dental. Your Primary Dental Provider (PDP), will help you get the dental care you need.

If you need to contact Delta Dental, call HSCSN Customer Care Services at (202) 467-2737. **Delta Dental Customer Service** can be reached toll-free at 1 (888) 258-8023, Monday through Friday, 8:00 a.m. to 8:00 p.m. Eastern Time.

What Is a PDP?

A PDP (dentist) performs many important oral health services, including routine care. Just like your Primary Care Provider (PCP) provides wellness checks, your dentist performs routine checkups to take care of your teeth and gums. It is recommended that you schedule a dental checkup every 6 months.

How to Choose Your PDP

When you join HSCSN, a dentist is assigned to you. If you wish to choose a new dentist, please visit deltadentalins.com/hscsn or call Delta Dental Customer Service toll-free at 1 (888) 258-8023, Monday through Friday, 8:00 a.m. to 8:00 p.m. Eastern Time. HSCSN can help you find a dentist that is right for you.

How to Change Your PDP

You can change your PDP or dentist anytime. If you need to change your dentist, call Delta Dental Customer Service toll-free at 1 (888) 258-8023, Monday through Friday, 8:00 a.m. to 8:00 p.m. Eastern Time. After changing your dentist, you will receive a letter with your new dentist's name and information about the change. If you have any additional questions about your dental services, call HSCSN Customer Care Services at (202) 467-2737.

- Set up transportation to health care services.
- Make sure the doctors and other providers have the information about your or your child's condition.

- Connect you to people in the community who can help you or your child.
- Meet with you face-to-face during the year to:

The Care Manager will help you based on your needs. He or she helps you coordinate all of the health care services you require.

Care Managers have education and experience working with children and young adults with special needs. Your Care Manager will contact you within the first 5 days of enrollment in the health plan. He or she will meet with you in person to get information to start your Care Coordination Plan. Your Care Manager will ask about your or your child's:

- Medical condition.
- Medications.
- School information.
- Health care providers.

Your Care Manager will meet with you in person once a year, or more often based on your health care needs or your child's health care needs. If you have any concerns about your Care Manager, please call Customer Care Services at (202) 467-2737 or 1 (866) 937-4549.

The best time to reach your Care Manager is during regular business hours, Monday through Friday from 8:00 a.m. to 5:30 p.m. Our office is closed on most holidays. For non-urgent requests after business hours, weekends and holidays, please leave a detailed message for the Care Manager. He or she will return your call the next business day.

If your questions cannot wait, a Care Manager is available 24 hours a day, 7 days a week. Contact Customer Care Services at (202) 467-2737 or 1 (866) 937-4549 and we will help you.

Your HSCSN Benefits and Services

Health Check Program for Children (EPSDT)

If your child is in the D.C. Healthy Families (Medicaid) program, your child will be in the Health Check Program. This program is also called Early and Periodic Screening, Diagnosis and Treatment (EPSDT). This program starts right after your child is born and lasts until your child turns 21. The Health Check Program gives your child several important checkups.

A Health Check (EPSDT) information sheet is in your Enrollee Handbook. If you need a copy of the Health Check (EPSDT Periodicity Schedule, you can:

- Ask your doctor.
- Call HSCSN Customer Care at (202) 467-2737 or 1 (866) 937-4549.
- Visit our website at www.hscsnhealthplan.org.

The schedule tells you when your child should be seen for a checkup (well-child care visit) by the PCP.

Pharmacy Services and Prescription Drugs

You can pick up your medicine at a pharmacy. If your doctor gives you a prescription, you must go to a pharmacy in the HSCSN network.

You can find a list of all the pharmacies in the HSCSN network in your provider directory or online at www.hscsnhealthplan.org. You can find a complete list of medications covered by HSCSN online at www.hscsnhealthplan.org. Please call Customer Care Services at (202) 467-2737 or 1 (866) 937-4549 for help or to request a printed version.

To get a prescription filled:

- Choose a pharmacy that is part of the HSCSN network and is close to your work or home.
- When you have a prescription, go to the pharmacy and give the pharmacist your prescription and your HSCSN Enrollee ID Card.
- If you need help, please call Customer Care Services at (202) 467-2737, 1 (866) 937-4549, or TTY/TTD (202) 467-2709.

The full list of benefits and services is available in the Enrollee Handbook. The handbook is available on our website at hscsnhealthplan.org. You can also call Customer Care at 202-467-2737 to request a copy be mailed to you.

Things to remember:

- You should not be asked to pay for your medicine. Call HSCSN Customer Care Services if the pharmacy or drugstore asks you to pay.

 - o For up to 7 days.
 - o Or for one full round of the medicine if you take it less than once a day.
- Delivery is not a covered benefit. Some pharmacies give you free delivery, and others will charge you. Call CVS Health Customer Care at 1 (866) 885-4944 for more information.
